2018-19 (Sanction in Aug- Nov 2018)

1	2018-19	Validation of anticancer activity of phytochemicals from traditional herbal healing practices	KIIT University	4,90,000/-	2,45,000/	245000 (Feb 2020)	Ongoing	1) Daulatram Thakur. 2) Jitu Mahato 3) K Gopalakrishnan 4) Vishnu Kumar Sharma 5) Mushtaq Ahmad Shapoo 6) Babubhai M. Dinkar 7) Painu Ram 8) U Rajagopalan 9) S. Sivaraman 10) Umesh Singh 11) Amit Kumar Gupta	1. HP 2. Bihar 3. Kerela 4. Rajasthan 5. J&K 6.Dadar & Nagarhaveli 7. HP 8. Kerela 9. Tamilnadu 10. Bihar 11. jharkhand
2	2018-19	Efficacy of test item in carrageenan induced paw edema in rat	Dabur Research Foundation, Ghaziabad	1019520.00*	507,600	5,07,600 (May 2020)	Completed/ report received	1) Mr. Chandeswar Ray 2) Shri Kantiram Mahato 3) Smt. Simpi Devi	1. Bihar 2. WB 3. Bihar
3	2018-19	Validate the efficacy of traditional herbal healing procedure as anti-malarial	KIIT University	1,080,000	5,40,000 (28.08.2018)	5,40,000 (May 2020)	Ongoing	1) Suresh Singh 2) Chhungliani 3) Moti Ram 4) Moti Ram 5) Dhanbhai Hamirbai Garva/ Dhanji Bai	1. Bihar 2. Mizoram 3. HP 4.HP 5. Gujarat
4	2018-19	Efficacy evaluation in ethanol induced hepatotoxicity (Project 2)	Anthem Biosciences Limited, Bengaluru	1,063,770	486,810	-	Completed (waiting for invoice)	1. Shri Sukhrambhai Govindbhai Nayka 2. Biakkimi	1. Gujarat 2. Mizoram
5	2018-19	Efficacy evaluation in paracetamol induced hepatotoxicity (Project 1)	Anthem Biosciences Limited, Bengaluru	1,063,770	486,810	4,86,810 (July 2020)	Completed	1. Shri SureshSingh 2.Shri Nawal Kishor Tiwari	1. Bihar 2. Bihar
6	2018-19	Efficacy evaluation in paracetamol induced hepatotoxicity (Project 2)	Anthem Biosciences Limited, Bengaluru	1,063,770	4,86,810 (5,31,885 with GST)	531885 (May 2020)	Completed	1. Shri Sukhrambhai Govindbhai Nayka 2. Biakkimi	1Gujarat 2. Mizoram
7	2018-19	A Ten arm, randomized, single- blind, active controlled, clinical study to evaluate efficacy and safety of Ayurvedic oral medications in the management of Medogora	National Institute of Ayurveda, Jaipur	2,198,390	1,100,000		Ongoing	1) Shri Abdul Gani Hajam 2) Sheikh Abdul Gaffar	1. J&K 2. J&K

8	2018-19	A randomized controlled single-blind clinical trial for safety and efficacy of grassroot leads in the management of Osteoarthritis of knee joints	National Institute of Ayurveda, Jaipur	1,120,811	560,000		Ongoing	1) Sangat Ram 2) Roopan Mahato	1. HP 2. Jharkhand
9	2018-19	A randomized controlled, single blind Clinical trials for safety and efficacy of grassroot leads in the management of Osteopenia/Osteoporosis among postmenopausal women	National Institute of Ayurveda, Jaipur	2,420,194	1,210,000		Ongoing	1) Vinod Kumar Ambalal Raval 2) Hundiabhai Choliabhai Vasava	1. Gujarat 2. Gujarat
		IPR Validation (Wound healing Assay)	PERD, Ahmedabad	24750	NA	NA	Completed		
10	2018-19	Efficacy study of herbal leads in a mouse model of collagen induced arthritis	Jubilant Biosys Limited		70,651				
	2018-19	final instalment (50%) for testing: evaluation of Anti-bacterial efficiency of a test compound/herbal lead in a mouse model of systemic infection with Salmonella typhimurium.	Anthem Biosciences Pvt. Ltd.			310080			
	2018-19	final installment for project 2 "Evaluation of herbal practice in ethano; induced liver injury."	Dabur Research Foundation			722466			
	2018-19	2nd installment for project 1 "Evaluation of herbal practice in ethano; induced liver injury."	Dabur Research Foundation			929273			
	2018-19	final installment for project " Efficacy study of hurbal leads in a mouse of diet induced obesity."	Anthem Biosciences Pvt. Ltd.			928625			
	2018-19	final installment for testing fee for Evaluation of anti-dysentery efficacy of a test item in a mouse model.	Anthem Biosciences Pvt. Ltd.			111550			
	2018-19	final installment for testing fee for Evaluation of anti-diarrheal efficacy of a test item in a mouse model.	Anthem Biosciences Pvt. Ltd.			97750			

2018-19	final installment of project for "Efficacy study of herbal leads in female ovariectomized rat model."	Jubilant Biosys Limited			1277940			
2018-19	2nd installment of project " Validation of herbal leads in collagen induced arthritis model in DBA1/J mice" as details enclosed.	Jubilant Biosys Limited			1026600			
2018-19	2nd installment for project " Validation of hebal leads in carrageenan induced inflammation in rats."	Jubilant Biosys Limited			325090			
2018-19	2nd installment for project 3 " Evaluation of herbal practices on carbon tetrachloride (CCl4) induced hepatotoxicity rat model."	Dabur Research Foundation			800630			
2018-19	2nd installment for project 1 " Evaluation of herbal practices on carbon tetrachloride (CCl4) induced hepatotoxicity rat model."	Dabur Research Foundation			1028606			
2018-19	Second instalment for Evaluation of anti-diabetic potential of herbal leads in db/db (type II diabetic) mice model.	Dabur Research Foundation			676200			
2018-19	"Experimental studies to evaluate the mode of action of traditional herbal agents in bronchial asthma"	Director, V P Chest Institute, Delhi			181200			
2018-19	remaining amount (50% of total project cost) to be released of project "Evaluation of herbal practices in ethanol induced liver injury" Project - 3 as per details enclosed.	Dabur Research Foundation			722467			

	2018-19	(second instalment) for Development of nutritional ready to consume estables based on traditional and less known food pre as per details attached.	Sadbhav SRISTI Sanshodhan laboratory Ahmedabad			785000			
	2018-19	(second Instalment) for Development of DNA fingerprint/Molecular markers of non codified lead plants from NIF database as per details attached.	Sadbhav SRISTI Sanshodhan laboratory Ahmedabad			1085000			
	2018-19	(second Instalment) for TLC fingerprinting of phytochemicals present in non codified lead plants of NIF india repositoy as per details attached.	Sadbhav SRISTI Sanshodhan laboratory Ahmedabad			910000			
2019-2020									
		IPR- Validation (Arthritis, othorrea,anti coagulation , hair growth, osteoporosis)	National Facility for Biopharmaceuticals	712,649	NA	NA	Completed		
		IPR-In Vitro evaluation of Anti-microbial efficacy of test compounds/ herbals against Tuberculosis	PERD, Ahmedabad	2124	NA	NA	Completed		
		IPR-In vitro hemostatic activity of test compound in blood (male albino rat)	PERD, Ahmedabad	8,700/- + 18 % GST	NA	NA	Completed		
		In vitro efficacy validation of two herbal formulations against SARS-COV-2 infection and toxicity study, immunity enhancement and hepato-protection of 1 NIF polyherbal formulation.	DRF	15,85,000 (+18% GST)	931187		Ongoing
