1.0 NIF– INDIA: AN INTRODUCTION:

NIF is an Autonomous Body of the Department of Science and Technology, Government of India. It is India's national initiative to strengthen the grassroots technological innovations and outstanding traditional knowledge. Its mission is to help India become a creative and knowledge-based society by expanding policy and institutional space for grassroots technological innovators.

NIF scouts, supports and spawns grassroots innovations developed by individuals and local communities in any technological field, helping in human survival without any help from formal sector. NIF helps grassroots innovators and outstanding traditional knowledge holders get due recognition, respect and reward for their innovations. It also tries to ensure that such innovations diffuse widely through commercial and/or non-commercial channels, generating material or non-material incentives for them and others involved in the value chain.

1.1 NIF- India prefers NABH Hospital and Nursing Home having advanced facilities in Gandhinagar and Ahmedabad districts for referring its patients.

2.0 TERMS & CONDITIONS:
